

My dream job

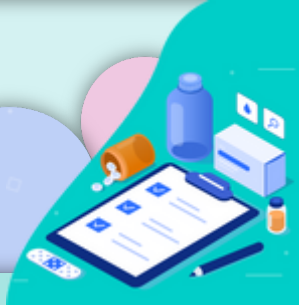

by Zhang Chi Ki, Chiara
4D(35)

My name is Chiara. My dream job is to be a doctor one day.

What do they do?

Doctors help sick people heal from their sickness, like giving them medicine to the patients to drink/eat so they could heal and many more. They also try to find a cure for the sickness so everyone can be strong and healthy.

What qualities do they need?

Doctors need to be good communicators. They also need to be good at remembering and creating. Doctors want to create a healthy world for sick people.

What qualifications do they need?

To become a doctor, you need to study hard. You need a medical degree and a science degree at university and learn to know which medicine is for the patient.

Where do they work?

A doctor can work at a doctor's office, hospital or dentist office.

What school subjects might be helpful?

Science subjects (chemistry or biology) and medical subjects (anatomy, microbiology or pharmacology).

Other doctor related jobs

How to be a dentist?

You have to learn different teeth facts. You have to know teeth and medicine's understanding.

How to be a veterinary?

You have to love animals, know veterinary knowledge, medicine knowledge, surgery knowledge.

Questions

Do you want to work in a hospital or a doctor's office?

I want to work at a hospital because there's more people to help.

Why do you want to be a doctor?

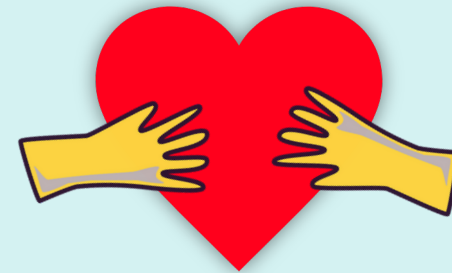

It is because I want to have sick people healthy again. And I want to help my family when they're sick.

Let's

save

people!

reasons why we should become a doctor:

1. You can save people from they're sickness
2. You can make lots of money in a year
3. It's a great job even though it's hard to be one
