

*A Surprising Trip*

By Raymond Watson Fu

Last holiday, I and my sister Alice went to Tokyo to had a surprising trip.

'Watson, where are we going to?' My sister asked. 'We are going to Kyoto.' I replied. 'This train station is very huge! Watson? Watson? Where are you?' my sister shout loudly. 'I'm here. What's going on?' I asked. 'I find a bomb 💣!' 'Kidding me?' 'It's true! Alice thought his brother didn't trust her. 'Wow! It's a true bomb!' I said surprisingly. 'Calm down! I can use the pickaxe 🪓 to pick it.'

'However, you don't have the pickaxe.....Oh! You have 'Minecraft Earth' on your mobile phone.' Alice replied happily. 'Yes!' I said.

At last, I picked up the bomb and threw into the lava lake. ^ v ^

Then, the police officers knew it and gave us the prize.

Yesterday, we went to the Tokyo TV tower with big smile and walk loudly.

WHAT A HAPPY  
ENDING!
